Dear Mr Carmody

On behalf of the Embassy of Japan, I would like to take this opportunity to express our profound gratitude to you and all your colleagues for the invaluable assistance provided to our Mission since the disappearance of Mr Eiji Takagi and Ms Ushio Yamazaki in August of this year. The professionalism and sensitivity shown by you in these tragic circumstances is greatly appreciated.

Thank you once again for all your help in this matter.

Yours sincerely

Kojiro Uchiyama
Counsellor and Deputy Head of Mission
